

*Delivering timely business, trade, and economic information since 1985*

# The Name You Know

---

Created in 1985, STAT-USA<sup>®</sup> (*formerly the Office of Business Analysis*) was created to disseminate U.S. economic information to the American public via electronic media.

Over the years, STAT-USA has expanded to include business and international trade information through online services such as **STAT-USA<sup>®</sup>/Internet<sup>™</sup>**, **USA Trade<sup>®</sup> *Online***, and **EuroTrade *Online*<sup>®</sup>**.

In a world where online resources disappear as quickly as they appear, STAT-USA is not only the name you know, but the name you **TRUST**.

### Statistical Abstract of the United States: 2007

126th Edition

*The National Data Book*

The Statistical Abstract of the United States, published since 1878, is the authoritative and comprehensive summary of statistical data on the social, political, and economic organization of the United States. Sources of data include the U.S. Census Bureau, Bureau of Economic Analysis, and many other Federal agencies and private organizations. Use the Abstract as a volume for statistical reference, and as a guide to sources of more information both in print and on the web!

**Note:** All files in this section are in the Adobe Acrobat (PDF) format.
